# KINGSTON MEN'S SHED

No. 8. JANUARY 2013

14 Gormley Drive, KINGSTON,

**HAPPY NEW YEAR TO ALL**

Well done all those who contributed to the CHRISTMAS RAFFLE & TOYS.

There was a lot of positive comments from passers-by and "Can I have one please Mom" from kids.

I have heard on the SHED vine that we raised about \$1600 from the raffle, though if time and frustration were taken into account, we are probably \$1600 down.

**WELL DONE SHEDDERS**

It seems someone has been out and about talking to K & D HARDWARE and we have another money making project for the New Year. We have been asked to construct a couple of display stands for them. I feel sure that with the expertise in the Shed we will find this a 'walk in the park'.

If there is anyone to whom I owe money, I'm prepared to forget it if they are.
