MEMBERSHIP PROPOSALS 2012-2013

Two proposals have been made for membership structure and fees for the coming year.

Only current Full Members are eligible to vote on either of these two proposals.

PROPOSAL NUMBER ONE

Membership will be effective from 1st July for twelve months.

There will be two types of membership: Full Member and Associate Member.

Associate Members pay a fee of \$1 per day to use the Shed's resources for their own personal use.

That the fee for Full Membership will be \$60 and that if necessary this could be paid in two sums of \$30, the first being due by the end of August and the second by the end of January.

That the fee for the Associate Membership would be \$20.

That \$15 would be set aside from each membership fee to go towards the Shed's share of the Association's Insurance, the balance being credited to the Shed.

PROPOSAL NUMBER TWO

Membership will be effective from 1st July for twelve months.

There will be a single type of membership: Full Membership.

That the fee for Full Membership will be \$40 and that if necessary this could be paid in two sums of \$20, the first being due by the end of August and the second by the end of February.

That \$15 would be set aside from each membership fee to go towards the Shed's share of the Association's Insurance, the balance being credited to the Shed.

Voting on these proposals will take place at the Shed's AGM at 2pm on 31st July 2012.

Heater Panels

Arnold and his Green Steam Team have wired and hung the heater panels to keep the cold at bay over the winter months. This along with the insulation that was sprayed on the ceiling a couple of months ago should have the Shed a warm retreat and a place to enjoy.

Santa's Sleigh

Pictures speak better than words but as you can see the Sleigh is progressing well. Thanks to the effort of those who are putting in the time on this. The interior of the sleigh, ie. the seats are well under way.

A Santa's Letter Box is also nearing completion.

BBQ Gazebo

Footings for the BBQ Gazebo in the top area has been started as has marking out the area for the garden beds for the disabled
